DISCLAIMER:

THESE ARE SOME OF THE DESIGNS THAT I CAN SHOW. MERGEN IS A STARTUP, AND LIKE MANY STARTUPS, THERE IS A FAST-PACED WORK ENVIRONMENT. THUS, A LOT OF THESE DESIGNS ARE NOT FINAL AND CHANGE FREQUENTLY IN ITERATIONS.

College View Screen

The screenshot shows a mobile application interface for viewing colleges. On the left is a vertical navigation bar with icons for home, search, favorites, edit, database, profile, cost, info, and settings. The main content area features a back arrow and text 'Back to my colleges' at the top. Below this is a large photograph of the University of Washington's iconic brick building with a central tower. Under the photo, the text reads 'University of Washington' and 'Seattle, Washington • Public'. To the right of this text is a pink button labeled 'Add to list'. At the bottom of the main area are four menu items: 'Overview', 'Cost & Scholarships', 'Majors', and 'Admissions'. The bottom of the screen shows an information icon and a settings gear icon.
